2. Management Analysis

1. Problems of the real estate sector have had its subsequent impact on the overall profitability of the banking sector. As a result, its impact has also been observed in the banks' profitability.
2. The Bank has been regularly introducing various new products and has been re-aligning its existing products as per the changing market needs.
3. The Bank and the group continue to consolidate its business looking at the adverse market condition. There is low opportunity of loan in the market so the Bank has strategically contained its balance sheet size.
